Transition2BIO Co-creation workshop

‘Future skills for Bioeconomy’

Bioenergy and biofuels

21st of November 2022, 14:00 CET

Platform: Microsoft Teams

The University of Bologna, AgroParisTech and the Horizon 2020 funded project [Transition2BIO](http://www.transition2bio.eu) organise the **co-creation workshop ‘Future skills for Bioeconomy’ – Bioenergy and biofuels**, which aims to identify the future skills and related educational needs in the European bioeconomy.

Target audience

The organizers encourage the participation of EU funded projects in bioeconomy education, EU and local institutions, universities, policymakers, private companies, associations, teachers, students, and whoever may be interested in or have something to say about the future skills and related educational needs to build the future workforce of the European bioeconomy.

Registration

Please register online for the workshop at this link:

<https://forms.office.com/r/zyk2DP6ENf>

Participants will receive the link for the virtual meeting by email.

The deadline for the registration is 18 November 2022

For more information, please contact Parthena Chatzinikolaou – parth.chatzinikolaou2@unibo.it
